F.W. WEBB COMPANY

*The Northeast's Single Source Distributor of Plumbing, HVAC/R, LP Gas, Industrial Pipe/Valves/Fittings, Controls and Instrumentation, and Water Systems Products.*

Since 1866, Webb has serviced its customers in New England and upstate New York. Currently, the Webb network operates in seven states and has 65 locations. Webb offers a complete package of Plumbing, Hydronics, HVAC, Refrigeration, LP Gas Products, Biotech, Pumps, Valve Automation and Pipe, Valves & Fittings.

The core function of F.W. Webb Company is distribution. Our inventory system uses the latest technology, our brand new 408,000 sq. ft Central Distribution Center in Amherst NH

replenishes branches daily using our fleet of trucks. Our Pipe Depot in Central Massachusetts delivers carbon, stainless steel pipe and copper tubing to branches and contractor customers.

Most Webb locations have recently been expanded and we continue that effort as we grow. Our plan is to use technology and provide a Quality State-of-the-Art distribution system that increases efficiency and reduces cost to better serve our customers. We are very proud of our 95%+ fill rates and our ISO 9002 certification.
